

CLEAR + BRILLIANT INFORMATION

Clear + Brilliant is a unique treatment that uses safe, fractional laser technology to address early signs of aging, help to prevent them, and to maintain clarity of skin's texture and tone.

Clear + Brilliant is a gentle laser that refreshes your skin from the inside out. The laser energy creates microscopic treatment zones in your skin, replacing damaged skin with healthy, younger looking tissue.

Clear + Brilliant treatments take about an hour, with a 20 minute numbing period before the treatment. In recent studies, consumers reported visible improvements after 4-6 treatments.

Clear + Brilliant is a beneficial treatment for women and men of all ages and skin types, who are looking to prevent the signs of aging, help address early signs of aging or maintain the look of their skin.

After Clear + Brilliant, you can expect your skin to feel softer and have improved tone, texture and radiance.

Naturally radiant and glowing skin
Visibly illuminated skin tone
Soft and smoother texture
Skin that looks Clear and Brilliant.

There are 2 options with the Clear + Brilliant: Clear + Brilliant and Clear + Brilliant Permea

Both give you the results noted above, however the Permea is indicated for someone with more discoloration. No numbing is necessary for the Clear + Brilliant Permea.

Pre-treatment instructions for Clear + Brilliant and Clear + Brilliant Permea:

- Avoid direct sun exposure for a week prior to treatment.

What to expect **AFTER** both the Clear + Brilliant and the Clear + Brilliant Permea:

- Treated skin may be slightly red post treatment, which usually resolves within a few hours.
- Treated skin will feel slightly rough (could last up to a week). Do not pick or try to scrub treated skin. Allow skin to flake off naturally for best results.
- Avoid direct sun exposure for at least a week. Wear sunscreen and a hat when outside.
- Post-treatment products will be suggested.
